DURING COVID-19 EPIDEMIC

**World's best sterilization
equipment to clean &
sterilize our instruments.**

In this COVID 19 infectious
period hygiene is the
most important part in dental clinic.

DURING COVID-19 EPIDEMIC

**International Sterilization Equipment-
Sterilization is the most important and
unavoidable part of health care. Our clinic
follows stringent International Standard
for sterilization with the help of Ultrasonic
Cleaner, Class B and Class S Autoclave, Mill
Drop, Mill Rack and DAC Universal all
Handpieces are sterilized**

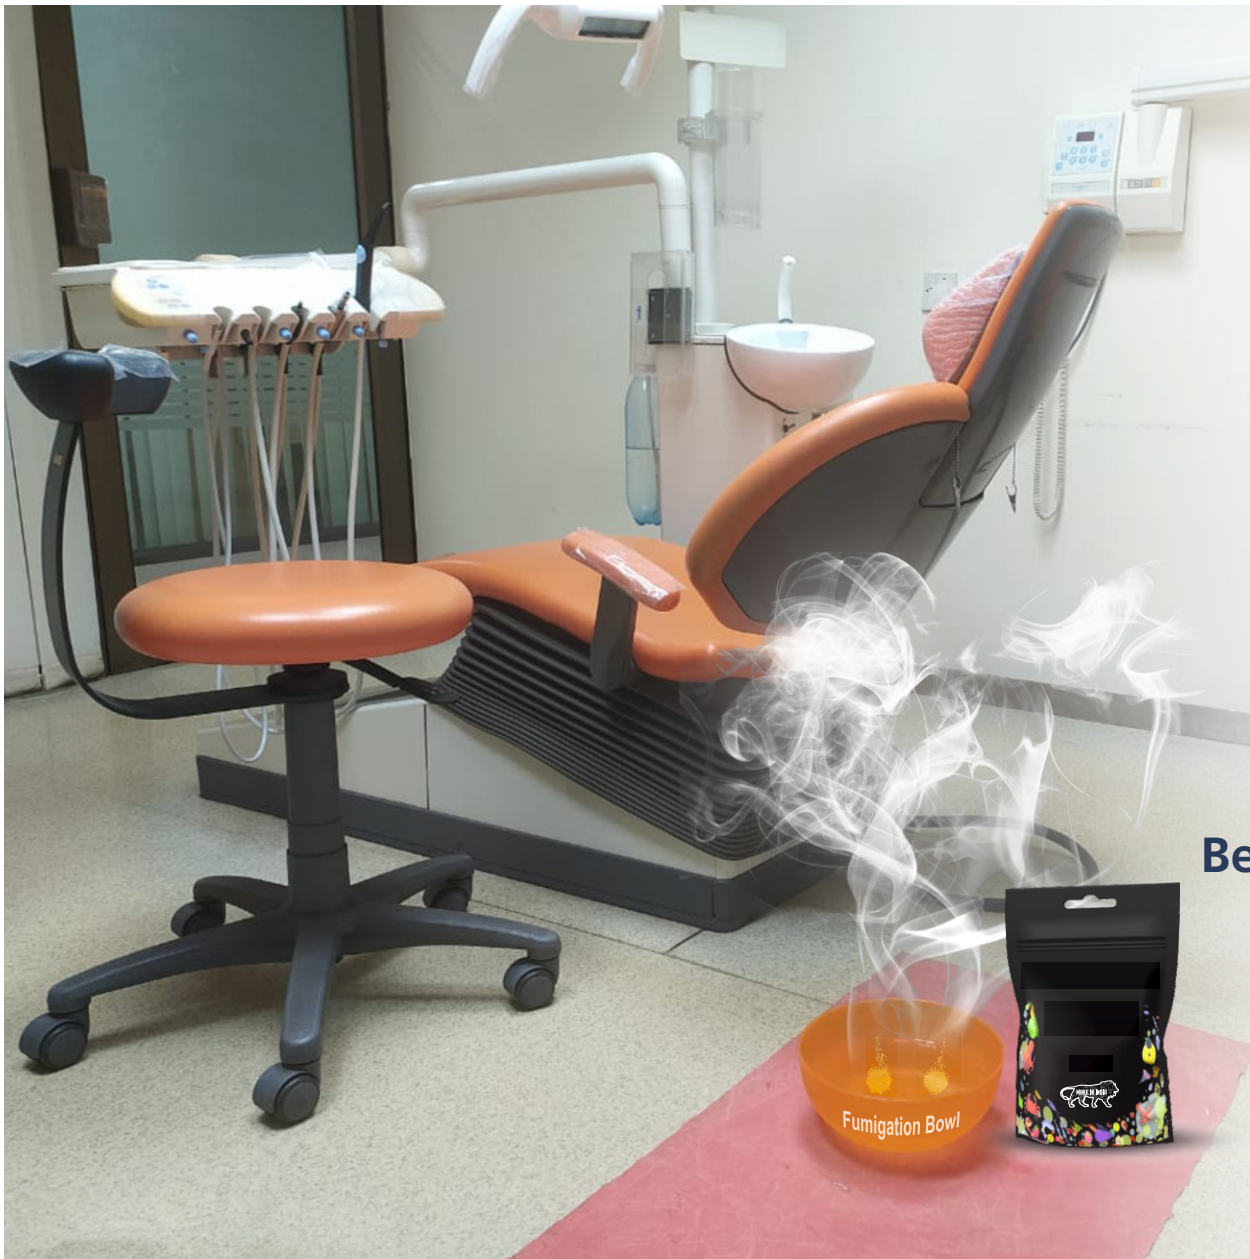

DURING COVID-19 EPIDEMIC

**Floor area, Spaces and surfaces
are sanitized
after every client's exit,
as well as at
opening & post lunch of clinic.**

DURING COVID-19 EPIDEMIC

**We at Ziecon Clinic
have gone one step further
in level of hygiene and safety.
Before closing entire clinic is fumigated
with an Eco-friendly Chloritab
for removal of
insects, bacteria & viruses**

Thank
you
